Prattville Promenaders club is a square dance club. However, we also line dance, contra dance and folk dance.

We have around 40 folks, young and older who love to laugh and dance. We are getting excited to host another basic square dance class beginning in April. The individual cost for lessons is \$35.00 for about three months of lessons. Family cost is \$35.00 per month for any size family. Lessons will be finished by summertime.

Our club provides moderate exercise, stress relief, friendship and a lot of laughter. Visit any time to see if you would like to begin lessons in April. We always devote some extra fun dancing for visitors.
